**GENERAL TERMS AND CONDITIONS**

**SECTION 1 – Purpose and Legal Authority**

- 1.1 This Contract sets forth the obligations of the Texas Workforce Commission (“Agency”) and the Recipient identified on the cover page (each a “Party” and together “the Parties”) with respect to Agency's release of confidential data to Recipient. The obligations of the Parties are set forth in detail in Attachment A.
- 1.2 Agency certifies that it has the authority to contract for the release of the subject data to Recipient pursuant to Texas Labor Code §§ 301.061 and 302.002.

**SECTION 2 – Term, Termination, and Amendment**

- 2.1 This Contract is effective from the Begin Date to the End Date specified on the cover page.
- 2.2 Either Party may suspend or terminate this Contract at any time, on written notice to the other Party specifying a termination date at least thirty (30) calendar days after the date of the notice. Suspension or termination shall not relieve Recipient of the obligation to pay for all services provided before suspension or termination at the rates specified herein. Recipient shall not be entitled to any refund of the annual subscription fee if access to Agency records is online.
- 2.3 No modification will be valid unless in writing and signed by both Parties, except for rate revisions made under Section 3.2 of these General Terms and Conditions.

**SECTION 3 – Consideration**

- 3.1 Recipient shall pay Agency for the services described, and at the rates set forth, in Attachment A.
- 3.2 Notwithstanding Section 3.1 of these General Terms and Conditions, Agency may unilaterally revise rates upon written notice to Recipient of at least thirty (30) calendar days.

**SECTION 4 – Protecting the Confidentiality of TWC Information**

**SECTION 5 – Records and Audit**

Recipient shall keep and maintain complete and accurate records sufficient to allow Agency, the Texas State Auditor’s Office, the United States government, and their authorized representatives to determine Recipient’s compliance with this Contract.

**SECTION 6 – Breach of Agreement, Default, and Remedies**

- 6.1 If Recipient or any official, employee, or agent of Recipient fails to comply with any provision of this Contract, including timely payment of Agency’s invoices, Agency may suspend services to Recipient (including any data requests being processed) until Agency is satisfied that corrective action has been taken to assure there will be no future breach.

**INSTRUCTIONS FOR CERTIFICATE OF DESTRUCTION**

Hard copy and electronic media must be sanitized prior to disposal or release for reuse. The TWC tracks, documents, and verifies media sanitization and disposal actions. The media must be protected and controlled by authorized personnel during transport outside of controlled areas. Approved methods for media sanitization are listed in the NIST Special Publication 800-88, Guidelines for Media Sanitization. [http://csrc.nist.gov/publications/nistpubs/800-88/NISTSP800-88\\_with-errata.pdf](http://csrc.nist.gov/publications/nistpubs/800-88/NISTSP800-88_with-errata.pdf)

IRS Publication 1075 directs us to the FISMA requirements and NIST guidelines for sanitization and disposition of media used for **federal tax information (FTI)**. These guidelines are also required for sensitive or confidential information that may include **personally identifiable information (PII)** or **protected health information (PHI)**. **NIST 800-88, Appendix A** contains a matrix of media with minimum recommended sanitization techniques for clearing, purging, or destroying various media types. This appendix is to be used with the decision flow chart provided in NIST 800-88, Section 5.

There are two primary types of media in common use:

- **Hard Copy.** Hard copy media is physical representations of information. Paper printouts, printer and facsimile ribbons, drums, and platens are all examples of hard copy media.
- **Electronic (or soft copy).** Electronic media are the bits and bytes contained in hard drives, random access memory (RAM), read-only memory (ROM), disks, memory devices, phones, mobile computing devices, networking equipment, and many other types listed in NIST SP 800-88, Appendix A.

1. For media being reused within your organization, use the **CLEAR** procedure for the appropriate type of media. Then validate the media is cleared and document the media status and disposition.
2. For media to be reused outside your organization or if leaving your organization for any reason, use the **PURGE** procedure for the appropriate type of media. Then validate the media is purged and document the media status and disposition. Note that some **PURGE** techniques such as degaussing will typically render the media (such as a hard drive) permanently unusable.
3. For media that will not be reused, use the **DESTRUCTION** procedure for the appropriate type of media. Then validate the media is destroyed and document the media status and disposition.
4. For media that has been damaged (i.e., crashed drive) and cannot be reused, use the **DESTRUCTION** procedure for the appropriate type of media. Then validate the media is destroyed and document the media status and disposition.
5. If immediate purging of all data storage components is not possible, data remaining in any storage component will be protected to prevent unauthorized disclosures. Within twenty (20) business days of contract expiration or termination, provide TWC with a signed statement detailing the nature of TWC data retained type of storage media, physical location, planned destruction date, and the proposed methods of destruction for TWC approval.
6. Send the signed Certificate of Destruction to:

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, Carahsoft obo Texas Workforce Commission (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

### **How to contact Carahsoft obo Texas Workforce Commission:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

### **To request paper copies from Carahsoft obo Texas Workforce Commission**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to [heather.hall@twc.state.tx.us](mailto:heather.hall@twc.state.tx.us) and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

### **To withdraw your consent with Carahsoft obo Texas Workforce Commission**

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to [heather.hall@twc.state.tx.us](mailto:heather.hall@twc.state.tx.us) and in the body of such request you must state your email, full name, mailing address, and telephone number. ### **Required hardware and software**

### **Acknowledging your access and consent to receive and sign documents electronically**
